Hi Gina – sorry if this is a repeat, but if not see OH EPA notes (attached) per this past Monday's July 23, 2018 call with OH EPA, ODH, SWOAQA, R5 ATSDR and US EPA (just me from US EPA on the call). I didn't provide the US EPA updates listed on the July 23 agenda. FYI, a follow-up call is tentatively scheduled for August 23 at 2 pm EDT. R5 ATSDR asked that R5 USEPA provide an update on that call.

thanks

To all,

FYI - I jotted down a quick summary of the activities around AK Steel, to help us with our call this afternoon.
